1. DISTRICT ANALYSIS

District

In July 1997, pursuant to Ordinance 219, the City of La Habra Heights (the “City”) established a special tax to fund fire protection, fire prevention, and life safety services within the City. No bonds were issued with the establishment of the special tax.

The proceeds of the special tax are used for fire protection, fire prevention, and life safety services, including, but not limited to, paramedic services and emergency medical response services. The costs associated with providing fire protection, fire prevention, and life safety services include, but are not limited to, salaries and benefits of personnel providing the services; costs associated with the acquisition, maintenance, or construction of equipment; facilities and supplies used for the provision of the services; administrative costs of the program; and the cost of any other expenditure necessary or useful to the provision of the services.

The special tax will be levied for as long as necessary to fund fire prevention, fire protection, and life safety services.

Levy

For Fiscal Year 2017/18, 2,192 parcels were levied \$1,137,704.02. The maximum special tax rates are increased annually by the lesser of 3% or the percentage change in the Consumer Price Index (CPI).
